"NEVER SEE THE BEAT OF IT."

"I tell you what, Mike, I never saw the beat yet," said Deacon Stubbs, as he leaned over the fence to chat with the parson. "Never saw nothin' like it, either. Like that medicine, I mean, that my wife fetched home from the city last spring. The old lady's been feelin' kind of flowery the last all winter. Said she guessed she was goin' to give out. Couldn't eat nothin' never. Didn't have good sense, didn't want to relish. Couldn't sleep neither so she got perfect discouraged. Kept a feelin' a good bad, and said she felt just as if nothin' had ought all the back end of her some days. Support, he's smart and always of her to my son, said she ought to change and some blood or switch it. Her mind. Air your liver out or tether, you, I reckon. I'll fix that for yer. I'll send down a bottle of stuff that'll bar you around until to no time. Don't be so sure of things so long a week after you've begun taking it." Sir I swan, Mike, it did just as he said it would. The old lady feelin' pretty fine about it now. What's the odds, sir? Let me tell it. I've got it. It's the Golden Medical Discovery and he got up by a doctor by the name of Pierce in Buffalo. I know nothin' about him, but he makes a jolted good medicine, and that's you bought it."

WARRANTED. As a medicine for the Liver, Stomach and Bowels, "Golden Medical Discovery" cures all vitiated states, indigestion and dyspepsia, Chronic Diarrhoea and kindred affections. As an alterative or blood purifier, it exercises the wonderful curative properties in the cure of the worst skin and scrofulous diseases, Tumors, Eruptions and Swellings, as well as lung-scrofula, commonly known as Pulmonary Consumption, if taken in time and given a fair trial.
